Thomas Harold Steen was born February 6, 1913, in Ruby, SC. He was ordained to the Gospel Ministry by the Centerview Baptist Church of Kannapolis, NC, in 1939.

Mr. Steen died October 13, 1984. He is survived by his widow, Mrs. Vertie Cline Steen, one brother, Mr. Perry Steen of Kannapolis, NC, and one sister, Mrs. Taylor of Cordova, NC.

Reverend Steen graduated from Wingate College (a Junior College at that time) and Wake Forest University. The purpose of the Associational Meeting is to report the events of the past year and to forget the past and move ahead.
There are several conditions for moving into and conquering the opportunities.
 1. Be courageous as you plan and look ahead. We should stand for what is right.
 2. Be creative--stop doing things in the same old way.
 3. Be visionary--see what we can be.
 4. Be Christian--let people see a Christian. We must create a hunger in the people around us. We must live out Jesus Christ in our lives.

HAMPSTEAD BAPTIST CHURCH

- 19. Registration
- 20. Prelude
- 21. The Moderator, Vincent Wall, called the session to order.
- 22. Norman Hunt, Host Pastor, read Ephesians 4:1-13 and led in prayer. He then welcomed the messengers and visitors to Hampstead Baptist Church.
- 23. Peggy McCabe led the congregation in singing "All Hail the Power of Jesus Name".
- 24. Royce Williams presented the special music, "He Redeemed Me."
- 25. Ralph Holt, pastor, Lake Forest Baptist Church, preached the Annual Sermon.

Reading Isaiah 29:9-11, 13-16, he mentions "The Secular City" written by Harvey Cox.

There is a secular/urban mind set, a mentality in the Secular City that leaves little room for God in the deep inner recesses of our heart. There is not the room for God as there ought to be.

We cannot say our churches are being persecuted. People of the Secular City see the church as unimportant and unnecessary. Their picture of faith is the Sunday affair. It has nothing to do with real life.

To some, things are not happening in the Institutional Church that really matters. We are at ease in Zion.

It's time the church was disturbed and time the church did some disturbing. If we are to fight a holy war, we must be sure of the enemy.

Child abduction, pornography, violence on TV, and religious cults

are on the increase.

If the church of Jesus Christ ever fails to disturb men, it has failed. The church must be bold in speaking in the Lord. Early Christians turned their world upside down for Christ.

There are two defects in the thinking of Israel.

(1) The heart was absent. God must be worshipped with the heart. Without the heart, movements of the lips and the speech do not mean anything.

(2) The motive was wrong. Religious service must be the result of one's inner conviction.

We have hope but have not extended it to the lost. We must cultivate a relationship. Jesus had done it all.

We need some time spent with Jesus--in prayer, study, work solitude, confession, brokenness.

God uses broken things--men, women, young people to disturb complacent lives and complacent churches.

Will you re-commit yourself to Jesus? Will you say yes to His will for your life? Will you be disturbed for Jesus' sake?

26. During the time of committment, with the singing of "Am I a soldier of the Cross" and "Have Thine own Way" many responded in a spirit of re-committment.
27. Recognition of Ministry Accomplishments and Retired Ministers--Bobby Stafford
28. Debbie Lytle, US-2 Worker in Resort Ministries spoke of her work.
29. Associational Business Session:

a. Time, Place, and Preacher Report--Howard Holly

Mr. Holly made a motion, on behalf of the Committee, for the next Annual Session to be held at Winter Park, Monday, October 14, 1985, and at Riley's Creek, Tuesday, October 15, 1985, the Annual Sermon to be preached by Harvey Whaley, Jr., with Johnny Hunt as alternate. The motion was seconded and approved.

b. L. G. Green presented the Strategy Planning for 1984-1985, moving its adoption. The motion was seconded and approved.

c. A. H. Harrell, Missionary Furlough Housing Committee, presented their recommendation in the form of a motion, with several comments.

"The Committee now presents to you the following motion: That due to an enormous interest from Missionaries, we begin the construction of a Missionary Furloughing Residence when funds become available; That the cost of the lot, residence, and furnishings shall not exceed eighty-five thousand (\$85,000) dollars and that we designate twenty thousand (\$20,000) dollars of the Spradling Memorial Property fund, held by the First Baptist Church, Wilmington, toward this project; That we accept the gift by a donor of a lot valued at ten thousand(\$10,000) dollars for this project; That we engage in a fund raising campaign for the project; That the approval of borrowing the remaining amount needed for the project be reported upon at the July 1985 General Board Meeting.

This Committee recommends the Moderator of this Association be instructed to name a Fund Raising Committee and/or any other committees needed to insure the building and maintenance of the project. The governing and administration of the Mission Furlough House will be under the direction of the Wilmington Baptist Association.

The Committee feels that having a foreign missionary living in our area would put a great more emphasis on missions in our churches, and make more vivid to us the work of the foreign missionary on the mission field. We hope that the individual would

be more stirred to pray, to give and go more for the Lord as a result of this project."

The motion was seconded, discussed and approved.

- d. Ben Gault, Missions Committee, noted the statement of the Association on receiving new missions, and made a motion that the Missions and Church Extension Committee recommends the Abundant Life Mission, sponsored by the Myrtle Grove church, be accepted under the watchcare of the Association for one year, and then voted on as to it's becoming a church of the Association.

The motion was seconded, and discussed. Ray Tester, pastor of the mission, and Richard Phillips, pastor of Myrtle Grove church spoke of the work. The motion was approved.

- e. Marsha Cook presented the report on Benevolent Assistance.

30. L. D. Munn presented the Memorial Report and moved its adoption. It was seconded and approved.
31. The Moderator expressed thanks for the opportunity of serving the Association.
32. Paul Nix announced the New River Association was celebrating its 25th Anniversary next week. Many of their churches came from the Wilmington Association. He made a motion the Wilmington Association send fraternal greetings to the New River Association. This was seconded and approved.

ABUNDANT LIFE BAPTIST CHURCH MISSION

Abundant Life Baptist Church met for the first service July 1, 1984, at Winter Park Community Center. Nineteen persons attended this first worship service. From that small beginning, we have continued growing until we now have an average of twenty-eight per Sunday.

We began immediately to organize a Sunday School. We now have a total of four classes. By October 1, 1984, we plan to begin Church Training. The first Baptist Men's Prayer Breakfast is scheduled for September 23, 1984.

The Abundant Life Baptist Church has continued to be financially blessed. Our tithes and offerings are averaging \$300 per week at this time. The congregation voted to pay our bi-vocational pastor, Reverend Ray Tester, \$300 per month for his services.

The first baptismal service is to be conducted September 23, 1984, at 7:00 P.M. at the Myrtle Grove Baptist Church with two being baptized.

Myrtle Grove Baptist Church voted in a church business conference, August 15, 1984, to sponsor the Abundant Life Baptist Church Mission. Reverend Ray Tester and his wife, Mirna, were active members of Myrtle Grove Baptist Church until he was called to supply for the Abundant Life Baptist Church Mission. They have now called him as pastor.

The Abundant Life Baptist Church Mission comes to the Wilmington Baptist Association asking to become a part of the association through the one-year Watchcare Program. We already have a sponsoring church, the Myrtle Grove Baptist Church, Wilmington, NC. Our Missions Committee, and elected Missions Committee from Myrtle Grove Baptist Church, and the Missions Committee of the Wilmington Baptist Association will be working together to establish a permanent location according to the guidelines of establishing a mission which is a part of the by-laws of the Constitution of the Wilmington Baptist Association, page 71 of the 1983 Associational Minutes.

Please pray as we seek God's will in a permanent location. Also, pray for a full-time piano player.

Respectfully submitted,
Ray Tester

CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The Christian Social Ministries Committee has worked diligently this year studying and implementing ministries in the name of our Lord Jesus Christ. Current ministries have been enriched and new ministries planned.

The CSM Committee has visited the site of some of our ministries to see first-hand what we are engaged in as the Wilmington Baptist Association.

The Children's Clothes Closet has been promoted through the various helping agencies in our area, as well as through the churches. We have served more needy people this year than in the past.

We are continuing to work toward helping the Pender County Prison unit establish a chaplaincy program.

Three important committees are being named: 1. A Hospital Hospitality House Committee to determine needs of persons from out of town with loved ones in our hospitals. 2. Low Income Housing Committee to help some low-income families in seeking low-rent housing. 3. Day Care Committee to study needs in the Wilmington Baptist Association for Day Care Centers.

A survey was also conducted among our 54 churches to determine what ministries our churches provide that would be helpful as a resource guide to share with each other.

Plans have also been completed for our second Family Ministries Conference on February 25, 1985. Stress Factors in Families with Children, Changing Roles Brought About by Aging, and Drugs and Alcohol Problems are the three conference titles.

It has been an exciting and rewarding year, but there is still much to do. It goes without saying that our CSM Director, Marsha Cook, has been a valuable aid in guiding and sharing her concerns with us. We thank God for her. Our prayer is that God will enlarge our vision to do more in the coming year.

Ralph E. Holt, Jr., Chairman

CHURCH TRAINING

In our effort to assist pastors, key leaders, and churches in "Equipping the Saints," we planned for and conducted the following:

"M" Night 1983 - Twenty-two churches were represented by a total of 217 persons. Our guest speaker was the Reverend Nolan Howington, Consultant with Church Training Department, Southern Baptist Convention. Other features were a demonstration of Childrens' Memory Work led by Mrs. Barbara Johnson of Winter Park Baptist Church, and a Fashion Show, directed by Katherine Godwin and Arlene Macon.

An Associational Church Training Conference in conjunction with the regular meeting of the Wilmington Baptist Associational's General Board Meeting January 17, 1984, at Temple Baptist Church.

Two Family Life Resource Conferences for Pastors, Staff, and Wives were held on April 2, 1984, as part of our regular Pastors, Staff, and Wives meetings. The resources, including the leader for these conferences, were furnished by the Family Ministry Department, Southern Baptist Convention. The leader, Robert L. Newton, is Director of Christian Family Life, North Carolina Baptist State Convention. Twenty-four persons attended the morning session and 6 attended the Bi-Vocational Pastors Meeting that evening.

We held our Key Leadership Conference in conjunction with the Wilmington Baptist Associational General Board Meeting on July 27, 1984. We offered age group conferences with either State Church Training Staff or State Approved workers leading.

Our annual Pastors/Church Training Directors Dinner was very successful. Sixteen churches were represented with Jim Simpson, Associate in the State Church Training Department, as our speaker.

The present Church Training Council and the new leaders that have been enlisted for 1984-1985 are working together to plan for "M" Night which has been moved to October 1 this year.

We want to say a heartfelt "Thank You" to our Associational Church Council. They really have cooperated in a beautiful way in planning and conducting our programs.

Also, on behalf of our Association, we thank Maurice Cooper and his staff

for their going the extra mile to help us in our work.

We stand ready to assist in Equipping and Developing the "Saints."

Respectfully submitted,
Paul C. Nix, Chairperson

DIRECTOR OF MISSIONS REPORT

The Wilmington Baptist Association has moved forward this year. With the forward movement, there is the problems which go with growth such as financial crises because of cash flow and situations which arise from the always apparent group which just will not accept any kind of progress.

New work has always been a major part of WBA. This year, a small Black church, Saint Paul's Baptist Church, was constructed by men and women of the churches of the association. The church was voted to come under the associational watchcare program on March 11, 1984, with a vote to become a full member at the annual meeting in 1985. Abundant Life Baptist Mission will be voted on to come under watchcare at the annual meeting in 1984. A Mission Furlough Housing Committee was formed about a year ago and will be coming to the annual meeting with recommendations for building a house for furloughing missionaries both Home and Foreign.

The American Christian Television System (ACTS) began its showing on channel 32 on Vision Cable in June of this year. Equipment for being able to insert local programming will be very costly; therefore, the association voted that money acquired from the sale of the Wellington Avenue land will be used to buy this equipment. There is some interest in Baptist Tel Net.

The Language Mission work of the association is prospering. Henry Jee was called to Ogden Korean Mission as a result of Sei Hun Kim's resignation. Agustin Lara is leading both Hispanic ministries, Lake Forest and Long Creek.

Several projects have been completed this year and some are in the process of being completed. We gathered eyeglasses for a mission group. A group of persons named the Togo Task Force is busy trying to get commitments from persons for money and persons to go to Togo. The men of the association are rebuilding a cottage at Fort Caswell. The men are also building a mission wagon, The Little Red Caboose, to be used in all types of inner city missions and for special events.

Miss Debbie Lytle has been appointed by the Home Mission Board to be our US-2 Missionary in Resort and Leisure Missions. She has been on the field since September and has begun to organize for special events and for Resort Missions for next year. The Resort ministers went to Denver, Colorado, for the Resort Missions Conference. A new ministry, The Beach Buddies Ministry, which was designed to minister to the children on the beaches was conducted this year by three high school students. Twelve churches from all over the United States worked in our resort areas this year.

The Wilmington Baptist Association, the Baptist State Convention of NC, and the United Christian Campus Ministry have joined together to call a person to help Baptist students relate to Baptist churches and programming designed for college age students by the Southern Baptist Convention. Miss Libby Lancaster, a sophomore at UNC-W and a member of Winter Park Baptist Church,

has been called to fill the position through October 1984 in waiting for a budget vote for the year of 1984-1985.

The first Evangelism Preaching and Preparation Conference was conducted by the Evangelism Committee on March 12-13. Mark Corts spoke for the Baptist Men's Rally. Laura Frye Allen was brought here to lead a workshop in Life-style Evangelism by the WMU Council of WBA. The association has voted to participate in the Good News America Simultaneous Revivals for 1986.

The Sunday School Assist Team conducted the RUN (Are You Enrolled in Sunday School) Campaign. Many persons were enrolled in Sunday School and the results are still being felt from each of these programs.

The Brotherhood Council sponsored several events for the Royal Ambassadors and the Baptist Men. Dr. Cecil Etheridge led in a Home Missions Emphasis. Flags were completed for 67 countries which the SBC ministers to through the Foreign Mission Board. Rev. Joe Watterson worked in the association for three days to help us design a Volunteer Chaplains Program. A program is being designed which should help the local churches coordinate benevolent assistance to transients.

The film, "The God Makers", which depicts the truth about The Church of Jesus Christ of Latter Day Saints (The Mormons) was shown by several congregations and was seen by many persons in the association. Even some Mormons saw the film which caused some strain which was recorded in the Wilmington Star News. Many people were in agreement with showing the film, but several persons wrote letters to the editor which were not sympathetic to our cause of uncovering the Mormon faith.

Special events are the ministry opportunity of the day. We did have a float in the Azalea Festival which was designed by our Resort Committee. The North Carolina Baptist Men's Disaster Relief Unit was on display at the New Hanover County Fair. The Unit was used in our area during Hurricane Diana.

WBA conducted Long Range Strategy Planning this year. Over 400 persons contributed to the information gathering process with a committee of 15 taking the information and deciding on a thrust for the next five years. A copy of that information is listed elsewhere in this book.

WBA was honored again by the WMU becoming Distinguished. Many other honors were received by our persons which were not recorded. Mr. A. H. Harrell and Sunset Park Baptist Church were given special honor by the Governor's Special Volunteer Committee. I am completing my fourth year as Director of Missions.

Bobby R. Stafford
Director of Missions

EVANGELISM REPORT

Our first Associational-wide Evangelism Conference was held on March 12-13, 1984. Our attendance in one service was over 800. Our pastors and people were challenged.

Our Association sponsored an area-wide Church Evangelism Committee

Workshop. This included several neighboring associations.

Plans are being made now to involve our association in an area-wide crusade, hopefully, in the summer of 1986.

Johnny M. Hunt, Chairman

INTERNATIONAL SEAMAN'S SERVICE

The work and ministry of the Seaman's Service Center continues to grow. This past year has seen the development of an Outreach Program to the outlying docks with the focus being to reach those seamen who come to the area, but not through the North Carolina State Port at Wilmington, NC.

The Center now has a full-time Chaplain. This makes possible visiting and contacting every ship that calls and makes available his services to more seamen.

The Center has been the recipient of a mobile unit that will, when refurbished, house a Chapel for worship for seamen and the Chaplain's Office.

The Lord continues to bring the world to our doorsteps.

Ercele Clemmons

LONG CREEK HISPANIC MISSION

The Mission was started in August, 1983, when Long Creek Baptist Church voted to sponsor our Mission. We have about 50 people. Some are migrant workers and some are families who live there the year around. We have an average attendance on Sunday afternoon of 15. Nine have been saved and three baptized this year. We had a wedding of a couple who attend. They were saved, baptized, and then married. We had a cake cutting after the wedding. We were hosts for a Spanish Fellowship at Moore's Creek Battleground with 123 people attending from Jacksonville, Fayetteville, Wilmington Lake Forest Mission, and Long Creek Hispanic Mission. We took 43 to Asheville for a meeting of all Spanish Missions from North Carolina. We now have 10 Spanish Missions in North Carolina. We have a Sunday Class for children and are planning to start an English Class in the fall again. We have made many visits and helped meet the physical needs of migrants. We gave all of them Health Kits from churches, and we thank them. Long Creek Baptist Church has a clothes closet and food pantry for the migrant people. The people are learning to sing hymns. We have a regular church service on Sunday afternoon with singing, special numbers, and a sermon. God is blessing. We have touched many lives for Jesus. We always try to give each person a Bible, also. We thank Long Creek Baptist Church and the Wilmington Baptist Association for all the help they have given us. Please continue to pray for us.

Respectfully submitted,
Agustin and Peggy Lara

LAKE FOREST HISPANIC MISSION

The Lake Forest Mission was started in 1981 with three (3) persons attending regularly. I was licensed for the ministry July 29, 1984, by Lake Forest Baptist Church and I thank God for this and His precious calling to do His work with the Hispanic people. We now have 18 people to whom we are ministering. We have approximately 12 attending fairly regularly. Two have been saved and 4 baptized this year. We have visited many people and are ministering to people who don't attend our Mission, but God is blessing and, hopefully, one day they will come to our church. We have all our fellowships and parties together with Long Creek Hispanic Mission. We had three ladies go to Ridgecrest for WMU week and we hope to start a Spanish Baptist Women's group this coming year. We thank Lake Forest Baptist Church and the Association for all your help and prayers this year.

We also got an award from Home Mission Board and the State Mission Office for a new work started this year. We are proud of this!

Respectfully submitted,
Agustin and Peggy Lara

LITERACY COUNCIL

A deep set conviction is necessary for those whom God has called into Literacy Missions. The love of Jesus is shared through tutor training workshops, individual or group tutoring sessions, speaking to churches, clubs, and other organizations.

Volunteer tutors are trained for Literacy Missions in our workshops, both the Laubach Way to Reading (LWR) for English speaking adults and Laubach Way to English for Speakers of Other Languages (ESOL). Thirty-one local tutors were trained this year in three LWR workshops and ten local tutors trained in one ESOL workshop. Thirteen of the LWR tutors are members of G. E. Executive Club, the Elfyn Society. Two workshops were conducted in Jacksonville, North Carolina by our Tutor Trainers.

One of the seventy-nine English speaking adults being tutored now has joined Calvary Baptist Church. She is in her tutor's Sunday School class every Sunday and has her son enrolled in the nursery. Her tutor could never ask for a greater reward than seeing this student reading her Bible. Forty tutors are now teaching English speaking students.

Through the Wednesday and Sunday Conversational English Classes, sixty-eight Internationals are ministered to by fourteen tutors as they teach English, offer friendship, and share Jesus' love in many ways. Fifteen of these students are Mexican migrants at Long Creek Baptist Church, taught by Peggy Lara on Sunday afternoons. We need more tutors to teach migrants. Ritva Korhenan from Finland, one of Miriam Pickleseimer's beginner students last September, has progressed so well in English conversation that she now has a job at a nursing home. Two home fellowships were held this summer, one for Japanese and one for Chinese with over 25 Internationals in each meeting. We need churches to sponsor and encourage these fellowships on a regular basis.

Trainers and tutors of the Wilmington Literacy Council gain much inspiration and expertise from workshops and conferences attended. Mary Ellen Benton, Apprenticing Tutor Trainer ESOL, attended the Home Mission Board ten day Literacy Missions Workshop at Samford University in Birmingham, AL. Four persons from our Council attended the North Carolina Literacy Missions Conference at Caraway. Two tutor trainers attended the Laubach Literacy Action Regional Conference in Fayetteville, North Carolina.

The News Media, both local and national, have given excellent coverage to the problems of illiteracy which has caused more people to be concerned and respond as tutors.

A student and enlistment display at UNC-W for Volunteer Action was presented by Joe Carpenter.

Tutor Appreciation Cook-out was held at Hugh MacRae Park.

Sally Lennon, Director

Rev. L. D. Munn

MISSIONS AND CHURCH EXTENSION

The mission activity of the Wilmington Baptist Association continues to move at a rapid pace. This is only possible through the time giving of those who have a commitment to mission work on the local level. We are grateful for each of those who have served.

A brief recap of the year's activities reveals that the Korean Mission at Ogden is still active. Presently there are an average of 10 Koreans who attend Bible Study. There were three professions of faith this year making a total of seven professions of faith since the beginning of the mission last year.

The Hispanic work continues at Long Creek and Lake Forest Churches under the leadership of Agustin and Peggy Lara. They have an average attendance at Lake Forest of 12 and at Long Creek of 15. This year they report 7 baptisms.

The work with Saint Paul's Missionary Baptist Church has continued. They are presently under the sponsorship of the First Baptist Church of Wilmington while they are awaiting membership in the Wilmington Baptist Association at the 1985 annual meeting. This is to meet the watch-care stipulation. They have called Rev. Mervyn John as pastor.

A group meeting temporarily in the Winter Park Activities Building have selected the name "The Abundant Life Baptist Mission." They are a mission under the sponsorship of the Myrtle Grove Baptist Church. Rev. Ray Tester

is serving as their pastor. The Missions Committee is assisting them in searching for a permanent location.

Grateful appreciation is expressed for your prayers and support.

MISSIONARY FURLOUGH HOUSING RECOMMENDATION

At the 1983 Annual Meeting, the Messengers voted to delay any plans for Missionary Furlough Housing for the Wilmington Baptist Association. Since October 1983, requests have come from Missionaries expressing appreciation of and the need for such housing.

At the General Board Meeting of July 24, 1984, the above action was rescinded. The following is an excerpt from the July 24 General Board Minutes:

"Allard Harrell, Missionary Furlough House Committee, made a motion to rescind the action of October 17, 1983, at the Annual Session not to build a House at this time. The motion was seconded and approved following discussion."

The Committee now presents to you the following motion:

THAT due to an enormous interest from Missionaries, we begin the construction of a Missionary Furloughing Residence when funds become available; THAT the cost of the lot, residence, and furnishings shall not exceed eighty-five thousand (\$85,000) dollars and that we designate twenty thousand (\$20,000) dollars of the Spradlin Memorial Property fund, held by the First Baptist Church, Wilmington, toward this project; THAT we accept the generous gift by a donor of a lot valued at ten thousand (\$10,000) dollars for this project; THAT we engage in a fund raising campaign for the project; THAT the approval of borrowing the remaining amount needed for the project be reported upon at the July, 1985, General Board Meeting.

This Committee recommends the Moderator of this Association be instructed to name a Fund Raising Committee and/or any other committees needed to insure the building and maintenance of the project. The governing and administration of the Mission Furlough House will be under the direction of the Wilmington Baptist Association.

RESORT MISSIONS

People are coming by the thousands to our area beaches and it is important to have a Christian witness. Approximately 50,000 vacationers each year hear God's Word yearly through our beach ministries at Carolina, Kure, Surf City, and Wrightsville Beach.

Carolina Beach

Pastor, Jerry Beck; Summer Missionary, Laurie Hammers, Manchester, TENN. The puppet ministry at Jubilee Park was continued. Three shows were held nightly for 14 weeks on Thursday, Friday, Saturday and one show Sunday. Each show had an average attendance of 100. Deacons of the church conducted a worship service on Sunday mornings at Jubilee Park with an average attendance of 15.

Laurie conducted worship services at the KOA with an average attendance of 15. She also conducted clown shows at the KOA averaging 21 present. Day camps were held Wednesday of each week. Laurie planned a number of fellowships and recreation for youth and singles. Three groups from Tennessee, Kentucky and Maryland conducted Backyard Bible Clubs, clown and puppet shows in the KOA.

Kure Beach

Pastor, Jack Land; Summer Missionary, Ed Pierce, Wilmington, N.C. According to Jack, this was the best summer they have ever had. Ed was responsible for the music in resort missions. Jack's daughter, Rhonda, was in charge of the drama team. Eighteen people were involved in the resort ministry. A resort wagon was built to serve as a stage. Live drama and music was presented at 40 shows averaging 75 people per show. A new keyboard was purchased for this ministry. Two groups from Georgia and South Carolina conducted games and recreation on the beach.

Surf City

Pastor, Don Horn; Summer Missionary, Mike Revlett, Calhoun, KY Surf City sponsored a clown and puppet team of youth and adults who did a musical, "The Runaway". Mike led this activity. Eighteen performances were held with an average of 146 in attendance. These performances on Thursday, Friday, and Saturday nights were held at campgrounds and piers attracting over 2,626 people. One person accepted Christ and was baptized.

Robert Little, a layman from the church, and Mike conducted Sunday morning services at the Surf City Campground. One hundred forty-seven people were reached with and average attendance of 15.

Four church groups spent various weeks conducting different ministries. Monte Vista Baptist from Maryville, Tennessee conducted the first week of Vacation Bible School. They also presented musicals and puppets at campgrounds. Siloam Baptist from Marion, Alabama conducted our second week of Bible School and used puppets at one pier. Belmont Baptist from Charlottesville, Virginia conducted two Backyard Bible Clubs in the campground and on the beach during the morning. They presented music at piers

and campgrounds during the evenings. Unaka Baptist of Johnson City, Tennessee held five Backyard Bible Clubs in homes and campgrounds. They also presented music and puppets nightly in various locations. Oak View Baptist from High Point, NC presented a one night musical, "The Witness".

Mike sang solos at each worship service or led the congregation in sing-alongs. He conducted a youth Bible study on Sunday evenings.

Rogers Bay KOA, Topsail Island

Summer Missionary, Mike Clifford, Virginia

Mike served a chaplain and preached the Sunday morning services which had an average attendance of 35 with 474 total. His life touched many campers as he was the welcoming committee, spiritual leader and recreational director from Easter weekend through Labor Day weekend.

Wrightsville Beach

Pastor, Danny Hawkins; Summer Missionary, Melinda Cork, Eutaw, ALA Melinda did youth Bible studies. This was the greatest thing for the church in her work with the youth because she strengthened their spiritual lives. She established an interdenominational youth meeting which is still going on. As a result of her work, a discipling youth program during Church Training has been started. Melinda was also helpful in the church music ministry by working with the choir and singing solos.

A clown ministry consisting of Danny, his wife, Melinda and other youth was started. The clowns participated in four openings of Vacation Bible Schools and area parades.

US-2 Missionary--Debbie Lytle, OK

We welcome Debbie as she comes to assist us in resort missions. She already has helped minister by being a volunteer for the Red Cross during Hurricane Diana. Already she has visited and spoke in the resort churches.

SEMINARY EXTENSION REPORT

"Learning: For ministry; for life" aptly describes Seminary Extension work in North Carolina. Eighty-seven Seminary Extension centers set a new record in our state last year and helped equip individuals for more effective ministry through their churches. Eight people completed the requirements and earned diplomas during this year and two people earned the Certificate of Merit. The department also operated a program through the Shaw Divinity School, Raleigh, and established 23 centers in General Baptist churches and associations obtaining 907 registrations.

Another area involves an exciting Seminary Extension program for prison inmates. In March the first diploma earned by a prison inmate in North Carolina was granted to Larry D. Green of Wilmington. He is serving a life sentence in the Pender County unit of the state Department of Corrections. During the year 287 courses were provided for inmates through the state missions program.

Ministry education is not a "once for all" proposition. Anyone who seeks to serve the Lord, whether full-time, part-time, or volunteer, must be constantly learning and growing as a person. Seminary Extension helps

introduce these ministers to new information and new insights, regardless of the level of formal education they may have had in the past.

The local character of the centers is reflected in the fact that most of them are sponsored by Baptist associations. Seminary-trained pastors teach courses designed by seminary professors. A center director or committee within each community makes decisions about class schedules and specific courses to be offered.

Corbin L. Cooper serves as Seminary Extension consultant on the state convention staff.

Last fall N. T. 0167 was taught in our association, with 5 people participating in this course of study. George Knight was the instructor.

Jack Gentry, Seminary Extension Dir.

SUNDAY SCHOOL

This has been a good year in Sunday School. The Assist Team has done a good job and I want to thank them. They attended a conference and came back to teach us.

The RUN Campaign Committee did a wonderful job. They thought up all the details and put them into action. I want to thank them for a job well done. We started out to increase our enrollment by 3% but, in the end it was a much greater percentage.

The Send I You clinic, which was taught in two nights, went well. Many of our people were taught how to grow a Sunday School. We hope they have put this into action.

Let me thank each of you in the association for your support and for the work you are doing. Keep up the good work.

Keep Sunday School growing and going. God bless you as you work for Him.

Jerry V. Beck

TACMO

Just look what's coming up! The Church Media Library Organization on Monday, October 22, 1984, at 8:00 P.M. will have its final meeting of the year at Temple Baptist Church, in the form of a Holy Land Tour. Slides and tapes will be shown and explained by Mrs. Nellie Pringle and Mrs. Thelma Sutton of Temple Baptist, who have recently visited the Great City. They will also include instructions on the use and care of projector machines. Several Sunday School teachers from each church are also invited to attend this meeting. These may be selected by your church, but those who have not been blessed with a previous trip abroad to the "Real Thing," may benefit most from this tour. We want this to be our greatest audience of the year.

Realizing that our job is to serve the whole church, and that the Media

Library is the foundation for church learning, we are happy to reach out to the Sunday School teachers as our guests. Please help us by sending your Library Staff, and several of your Sunday School Teachers. Inform them we will all enter the Temple Baptist Church from the parking lot entrance only.

Our organization took off with a wonderful start last November by attending a workshop meeting on Graphics and Promotions on the 14th led by Dr. Mancil Ezell at Southport Baptist Church of the Brunswick Association. Mr. Ezell is from the Knoxville, Tennessee Office.

In January, we were blessed with Dr. Robert Goode of our Raleigh Office to bring us a wonderful message on Ways we can Reach out to the Needy of many areas of our Church and its membership, community, and interests at Temple Baptist Church.

Our April and July meetings were hosted by two of our newer church libraries, Surf City and Freedom Baptist Churches. Both meetings included wonderful lessons taught by our two teachers, Mrs. Linda Hollis and Mrs. Thelma Sutton, each was represented by people and churches for the first time. The fellowship was quite interesting, and all lessons have been challenging for better work and greater interest in our own home church libraries.

All churches visited have a true blessing in its library. The greater the church, the greater is its need for a well functioning media library to lend a helping hand in all areas. Thirty-two of our fifty-four churches now have some form of library service, but some still have not returned their survey sheets.

Complete plans are not ready, as some offices are not filled, and all workers on full-time jobs are back to work on those jobs.

Mildred G. Taylor, Chairperson

TOGO TASK FORCE

The "Togo Partnership" is a joint project of the North Carolina Baptist State Convention, the small West African Country of Togo, and is under the sponsorship of the Foreign Mission Board. The project involves the sending of food supplies, health and sanitation projects, medical aid, agricultural assistance, education evangelism, and other ministries for the people of Togo. The mission also involves the sending of short-term volunteers who are qualified in specific areas of service.

The Wilmington Baptist Associational Task Force purpose was to personally contact all of the Wilmington Baptist Associational churches, to inform each about the project and to supply them with information describing the goals and methods of the mission. The task force was to encourage each church's participation in (1) reaching a goal of \$400,000 for the coming year, (2) to help find volunteers qualified to serve in Togo, and (3) to send the offerings quarterly to the Wilmington Baptist Association to be forwarded to the state.

Two per cent of every dollar will stay in the Wilmington Baptist Association to finance the expenses of missionaries who will volunteer from our

local churches and serve in Togo.

WOMAN'S MISSIONARY UNION

The Theme for WMU for the year 1983-1984 was "Partnership in Prayer and Ministry." The Watchword was "Be persistent in prayer, and keep alert as you pray, giving thanks to God. Be wise in the way you act toward those who are not believers, making good use of every opportunity you have." (Col. 4:25)

Each of our age level directors and assistants have strived to help the churches see the many ways of ministry and help them become more effective prayers through our events, training, annual session, and example.

Our Annual Session was held at the Winter Park Baptist Church with an attendance of around 450. Barbara Joyner of Columbia, AL was our speaker who told us about the sources of prayer in the life of a volunteer in Africa. Also, we had a parade of flags, 65, from countries where we have foreign mission work. They were provided by many of our church WMU's and carried by our G.A.'s who wore red and white.

We emphasized prayer through a Baptist Men/Baptist Women Banquet, and other events of Acteens and Baptist Young Women.

Pat Ritchie, our State BYW/Mission Friends Consultant, spoke to our Mission Friend leaders at a Sunday afternoon tea and to BYW leaders the following night.

One of the ways of ministry was demonstrated to the Women's prison in Raleigh when we gave over 300 pairs of knee socks to them for Christmas.

Laura Fry Allen, Women's Consultant on Evangelism for Home Mission Board, did a Lifestyle Witnessing Workshop for us in September. We feel that completely rounded out our year in inspiration and training on prayer and ministry.

One of the exciting events of our year was the forming of WMU in one of our churches and beginning several new organizations in various churches.

Our Association, also, was presented a copy of Bobbie Sorrell's new book on Annie Armstrong at the State Annual Meeting for being distinguished again.

We feel through every phase of our work training, activities, trips, ministering, and planning meetings, we have sought to carry out our Theme for the year. We complete our year feeling it has been accomplished.

Yvonne Lewis, Director

MUSIC

The 1983-84 Associational Music Committee sponsored two special events. Adults from churches all across our association joined together to make up the choir for the Associational Evangelism Bible Conference at Calvary Baptist Church, March 12-13, 1984. Toby Frost led about 70 singers in special music each night.

A highlight for this year was the Ray Holcomb Vocal Freedom Seminar held at Wrightsboro Baptist Church, August 21-23. Ray taught some 130 adults and youth choir members from 15 churches many concepts that will enable them to sing with more freedom and better quality.

EXECUTIVE COMMITTEE MINUTES

The Executive Committee of the Wilmington Baptist Association met September 25, 1984, 7:30 P.M. at the Associational Office. The September Executive Committee Meeting was delayed because of Hurricane "Diana" which was on the same day as the regular meeting was scheduled.

Larry Botts, Associate Moderator, presided. Rev. Don Horn opened with prayer.

The first order of business was a presentation of Miss Libby Lancaster to the committee. Libby is a student at UNC-W and a member of Winter Park Baptist Church. Several months ago, the Baptist State Convention of North Carolina, United Christian Campus Ministry, and Representative of the Wilmington Baptist Association met together to talk about the feasibility of hiring a part-time person to work with the Baptist Students who attend UNC-W and with the churches of the Wilmington Baptist Association. Libby Lancaster is the person who the Baptist portion of the United Christian Campus Ministry feels is qualified to do the job we need done. The presentation of Libby Lancaster is that she be called to this part-time position for the sum of \$60 per week through October which is Annual Meeting time. At which time when the budget is voted, she would continue for the entire school year. In the event the budget is not approved, she will only work through October of 1984. The Executive Committee approved the motion and voted unanimously for the motion.

TACMO Report - Mildred Taylor explained that there are no officers for the new year for the Associational team.

WMU Report - Yvonne Lewis reported that 75 persons from 15 churches attended the Laura Frye Allen Workshop. The ladies will be carrying the flags for the Annual Meeting.

Brotherhood Report - J. P. McGinnis reported that Hal Langley has spoken to two (2) churches about starting RA work. 50 boys and 50 men attended the Pine Derby. Masonboro Baptist Church took all the prizes. October 26-27, 1984, is the RA Campout. November 3, 1984, is the Father/Son Banquet.

A special Mission Project, The Little Red Caboose, is beginning to take shape.

The Disaster Unit will be at the New Hanover County Fair. It was at Southport during the Hurricane Diana.

Resort Report - Rev. Don Horn spoke of a good summer. Twelve (12) churches from over the United States ministered on the beaches. Debbie Lytle, US-2 Missionary, is now on the field and doing Resort Work. She helped with the disaster victims for the past two weeks.

WMU Report - Yvonne Lewis - Due to the fact that the flags are coming back into the office under need of repair, a special form will be given to every church using the flags. If the flags are not in good repair when they come into the office, that church will not be able to use the flags again. This was unanimous by the committee.

Director of Missions - Bobby Stafford - Messenger packets have been sent to every church to comply with the wishes of the 1983 Annual Session request.

Director of Missions Continued - Bobby R. Stafford - The budget is \$700 short, but we have an increase over this past year. We are short on funds as the summer took a great toll on our budget. This year when we vote on the budget, if it is passed, there is a special place for a book-keeper in the budget. This person will be working only part-time.

New River Baptist Association is twenty-five (25) years old in October, 1984. We should write a special note to them since their association came out of this one.

ACTS REPORT

The Wilmington ACTS Board has met on several different occasions in the past few months. The Board is made up of 1 representative from each of the 18 Wilmington Baptist Association Churches which chose to participate. The Board's Officers are as follows:

Herb McCarthy, Chairperson
John Elder, Secretary
Bill Penny, Treasurer

We are pleased to report that it appears we will not need to purchase extensive receiving equipment as we first thought. We do, however, have to purchase several expensive pieces of equipment to enable us to put "ACTS" on Vision Cable of Wilmington system.

Our work, in being a part of the Cable system here in Wilmington, is going very smoothly with no problems anticipated.

In summation, we believe that the ACTS Channel will be on our Cable system in the spring of this year, and at this point no further funding appears necessary. We will keep you advised of our progress and inform the 18 churches involved as to when they need to begin their 10¢ per Resident Member monthly fee.

Your questions and/or suggestions are appreciated.

Herb McCarthy
ACTS Chairperson

IN MEMORIAM

J. Herman Mauney

The 1985 Minutes are dedicated to Reverend J. Herman Mauney. Reverend Mauney was born in Shelby on February 20, 1904. He was a 1927 graduate of Shelby High School. From there, he went to North Carolina State University to receive a degree in electrical engineering. After 10 years in business, he prepared himself for the ministry and graduated from Southern Baptist Theological Seminary at Louisville, Kentucky.

Reverend Mauney was called as Director of Johnston Baptist Association in 1949. From there, he came to the Wilmington Baptist Association where he served for 11 years. His ministry began in this association in 1953 and closed in 1965. After serving as our Director of Missions, he went to Maysville Baptist Church and pastored that church for 9 years. On retirement, he served as supply and interim pastor in the Smithfield area.

Reverend Mauney was buried Thursday, December 5, 1985 at Elizabeth Church near Shelby. Surviving are his wife, Mrs. Tallulah Hall Mauney of 400 East Holt Street in Smithfield, two sons and a daughter.

During the time that Reverend Mauney was Director of Missions, this association was busy establishing itself as a ministering body. Reverend Mauney dedicated those years of his life to bringing us to the point we are today. So with great pleasure, we dedicate these minutes to his memory.

UNITED CHRISTIAN CAMPUS MINISTRY

This past year has seen continued growth in the ministry of United Christian Campus Ministry. For one thing, 1985 marks the fifth anniversary of this ministry under the direction of Rev. Robert Haywood, III.

Campus Christian Fellowship (CCF) continues as a major focus of attention. CCF is a student-led organization very much like BSU in other universities. Bob worked consistently with the leadership team of CCF along with Steve Hinkle of Inter-Varsity Christian Fellowship. Bob spoke several times at the Tuesday evening session of CCF, designed two retreats, each involving over forty students, one in September and one in January, and worked with individual students one on one. CCF also organized into different Bible study groups carried both on and off campus. This past Christmas found us sending letters to 800 parents of freshman dorm residents offering to provide a "first exam survival kit" made up of candy, cookies and a note of encouragement from the parents. Three hundred ten parents responded and we are looking forward to this activity again. Fall break found a group of eight students journeying to Washington, DC, to experience some of the specialized ministries at work there. In the spring time, ten students spent a great weekend on a white water canoe trip in Virginia. Bob also worked with two small groups of students called "Seekers" which can be characterized as Discipleship Seminars. Also last year, a small group of students traveled to the student conference at Ridgecrest in September where Bob also presented a workshop on "Christian Lifestyles in a World of Scarcity."

Campus Ministry relationship with the University has also continued to evolve. Bob works closely with the Student Affairs staff and participates in staff meetings and Student Affairs staff retreats. The Dean's Office continues to notify Bob of all students who are admitted to the hospital so that he can visit them. The Counseling Center periodically refers students to Bob for counseling as does the Health Service and Dean of Students. Bob also served as chairman of the Search Committee for a new Director of the Student Development Center and has worked with the Greek Life Task Force. Both of these responsibilities broadened the contacts with students and faculty. UCCM also developed a week of activities centered around World Hunger in cooperation with CCF. One event was Miss-A-Meal. Over 600 students elected not to eat lunch one day and ARA, the campus food service, contributed \$1.00 for each student, totaling \$600.00. That more than tripled the response from the previous year. It was so successful that the food service would probably not let us do that again. Oh, well! So much for success!

Since five different denominations are involved in UCCM, this year saw the normal amount of traveling by Bob to the meeting of different denomination's Campus Ministry groups and funding agents. UCCM Board of Directors had a retreat this past September which allowed this diverse group to develop a sense of community and fellowship which has shown in its working together during this past year. They sponsored two campus-wide worship events, one at Christmas and one near Easter. The Christmas service has grown to involve over 200 students from UNC-W at the 11:00 PM service.

By the assessment of the Board and Bob, the year has been a good one and Campus Ministry is widely recognized and accepted at UNC-W. We seek your continued prayers and support as our work continues to evolve under the guidance of the Holy Spirit. We are grateful for the support provided by the Wilmington Baptist Association.

MUSIC

The Associational Music Program for 1984-85 sponsored several training events for the benefit of each local church. My personal thanks to those who have served on the Associational Music Committee: Neal Eller, Toby Frost, C.L. King, Dwight Lindley, Peggy McCabe and Reggie Rushing. This committee has met twice in addition to the MEY meetings and has given direction to this year's program.

Among the conferences held during the year was our Music Sightreading Clinic held at Southside Baptist Church on December 1, 1984. There were 38 enrolled representing 6 churches. Reggie Rushing, our regional director, was the conference leader.

On January 15 the music program sponsored two clinics at Winter Park Baptist Church. One clinic was for preschool choir workers led by Sandy Rushing and another clinic was for children's choir workers by Peggy McCabe with a total attendance of 16.

On April 25, we co-sponsored a concert of sacred music by Charles Gatwood and Charles Storey, State Music Director and Associate Director, respectively. The express purpose was to raise money through a free-will love offering for the purchase of a new piano desperately needed at the Caraway Conference Center in Asheboro. There were approximately 50 in attendance at Pine Valley Baptist Church for this event.

On July 15, the Music Department of the Baptist State Convention held a regional Music Reading Clinic at Temple Baptist Church. There were 39 directors and musicians present representing four surrounding associations.

Our committee has made an attempt this year to initiate a Contemporary Christian Music Program on a local radio station. Nine local stations were contacted but we have received no positive response.

A special thanks is due to C.L. King for serving as Associational Music Coordinator for the Freddy Gage "Go Tell" Crusade. Many hours of planning, corresponding and hard work went into making the revival choir such a success and blessing during the crusade.

Ray Holcombe is to lead a Vocal Freedom Conference in our association again this year October 22 and 24. It was a great success last year with 130 registered. We hope to have another good conference this year.

Again, thanks to all who have served on the committee and made this year a profitable one.

Respectfully submitted,

Royce E. Williams, Director

ORDINATION ADVISORY COUNCIL

The Ordination Advisory Council examined the following candidates for ordination into the gospel ministry:

M.E. Johnson, Surf City Baptist Church
 Agustin Lara, Lake Forest Baptist Church
 Robert M. Springle, Moncure Baptist Church, Raleigh, NC
 Philip Sizemore, Long Leaf Baptist Church

In each instance, the Council recommended that the requesting church proceed with the ordination of the candidate.

Respectfully submitted,

Percy Heath, Chairman

CHURCH TRAINING

As soon as the churches of our convention catch onto the importance of Church Training, and the vast amount of relevant material being produced by the Church Training department, there will be a great Spiritual turn-about in our churches. Yet still, Church Training is the ignored branch of the church. We promote Sunday School over Church Training without realizing (often) that Church Training undergirds not only Sunday School, but all facets of church activity.

Attendance at the Key Leadership conferences (in the Church Training meetings) has been disappointing and discouraging. In January we introduced the C.T. Team and went through some of the goals and objectives of Church Training, but only a handful of Church Training workers attended. In July we experienced something similar in our workshop designed to teach teachers how to teach Church Training lessons. This is not a report deemed to be negative, but rather it is written with reality in mind. If we're to grow in any area of church life we must begin to see the priority of Church Training..... .. it enters every area as support, training, discipleship, ethics, missions, etc.

The facts are these: When a church fails to give proper attention to training, decline sets in. When a church fails to knock on doors, decline sets in. These two facts have been researched as reasons for the declines in churches and denominations. PASTORS, STAFF PEOPLE, CHURCH MEMBERS, examine your Church Training program, if you're not entirely happy with it, please contact me and I'll be more than pleased to offer consultation or lead a conference with your workers. The Associational Church Training Team is your servant.

Submitted with love and a smile,

John M. Peverett and team.

DIRECTOR OF MISSIONS REPORT

The year has been one of great success as we reaped the harvest of the Freddie Gage Go Tell Crusade. 754 persons were won to Christ and 499 made rededications. The temperature for evangelism was raised over the entire association as churches from every corner were involved only to see people continue to walk down the isles. The outpouring continued as Marsha Cook led Day Camps throughout Wilmington. Nineteen persons were saved and nine persons made rededications through the Day Camps.

Telecommunications was on the increase during the year. Already, we had secured a channel on Vision Cable of Wilmington in order to bring ACTS (American Christian Television System) to the city. 30,000 persons have an opportunity to view that programming. Insertion equipment was bought during the year which will enable us to break into the national broadcast and insert local programming. Spots were planned for the churches involved in ACTS. Local programming was to begin in September, but equipment failures caused a delay until October.

The new system of education through Telecommunications, Baptist Tel Net, is next on the list. Ten churches are working frantically to secure a dish, a bank of video recorders, and a person to tape programming. The purpose is to educate the people of the church. The work having begun this year will be in full force by next year.

Through the cooperation of the Home Mission Board and the Baptist State Convention, Resort workers, an Apostoloi Team, and a Praxis Team worked in Wilmington. The Praxis Team was composed of Donna Yost and Cynthia Leach, students at Southeastern Baptist Theological Seminary. The Team surveyed the Porter's Neck area and began a work there. The ministry will be continued through a bivocational pastor. The Apostoloi Team worked in eight of our Pender County and Sampson County churches. The summer was a great success. Team members were Marcia Taylor, Stephen Hardy, David Pearce and Angela Hewitt. Baptist Student Unions throughout the state had a great hand in support for these students. The Resort workers worked in Kure Beach and Surf City Beach. Debbie Lytle has given a full report of the summer.

The program section of our association still increases every year. Highlights of the year were the WMU Annual Meeting, Church Training "M" Night, A Site Reading Clinic sponsored by our Music ministry, the Baptist Men's Prayer Retreat. Other Royal Ambassador events continued, but a new event, the Air Rifle Competition, was introduced this year. The Acteen, GA's and Mission Friends events continued as usual.

A super goal was reached by one of our churches. Long Leaf baptized over 200 persons this year. This is not only a record-breaking goal for our association, it is a special goal that has not been reached in many years in our state.

Barlow Vista WMU has reached a goal that has never been reached in our state. This is the 13th year that the Barlow Vista WMU has received the Distinguished Award in WMU work.

The WBA always finishes its task. This year, the men of the association decided to help Fort Caswell by remodeling Riverside "A" Cottage at Caswell. The work was begun by Roy Brown, member of Wrightsville Beach. Soon, Ray Benton of Winter Park, Raymond Hawkins of Pine Valley, and Billy Watkins of Ogden became the team to renovate our house. Billy Watkins took over the project because of Roy Brown's illness. The project was completed except for final coat outside painting and the refinishing of the floors. This will be accomplished in the coming year. We had to stop work because of the cottage being rented.

Respectfully submitted,

Bobby R. Stafford
Director of Missions

CHRISTIAN SOCIAL MINISTRIES

I. NEW WORK

- A. Volunteer Chaplaincy Program was begun. 8 in Nursing Homes, 7 in Police and Penal Institutions, 4 with Fire & Rescue. We are seeking Chaplains for (1) A Retirement Center (2) A Nursing Home (3) Police. We would like to place a chaplain with every rescue squad in WBA.

- B. The Chaplain's Work at the Men's Prison. The Presbytery is seeking to set this program up as a joint endeavor with a Board using the Seaman's Center as a model.
- C. Christian Life and Public Affairs. This new committee was formed in May. Its purpose is to keep Baptists aware of moral issues and provide a format to deal with these issues. It will also hold conferences and provide material for enhancing family life and dealing with family problems.
- D. Fetal Alcohol Syndrome. Several churches have received information on this problem and helped to distribute posters and pamphlets. FAS is the third highest cause of birth defects and the only one that is preventable. This Task Force is providing information to the public as to the seriousness of ingestion of alcohol at any level during pregnancy. Film was aired on ACTS in September and October.
- E. Help Center. The churches of Carolina and Kure Beaches are working together to establish a central referral center. The Help Center will screen everyone on these beaches calling a church for assistance of any kind. They will then work out an appropriate plan for stabilizing the family or individual.

II. CONTINUED MINISTRIES

- A. Senior Adult
 - 1. Quarterly rallies averaging 250 with 20 churches.
 - 2. Three consultations for new work. Organization of one new program and reorganization of two existing programs.
- B. Children's Clothes Closet. Clothes Closet is at Lake Forest Church. Twelve churches participating. Thirty families per month. 3,500 garments at 10¢ per item.
- C. Community Based Treatment Facility for Women
 - 1. Three representatives from WBA churches serving on the Advisory Board.
 - 2. The Advisory Board and Murray Memorial sponsored a Christmas dinner and party for the inmates and their families.
- D. Stepping Stone Manor. Our church ladies signed up to take 2-3 cakes a week to supplement the sugar needed in the diet of recovering alcoholics.
- E. Linen Closet. We have a well stocked linen closet, but few calls. We may need to discontinue it.
- F. Blood Drive. 201 presented. 192 pints collected. 180 volunteer hours.
- G. Cape Fear Gospel Rescue Mission. We continue to work with the Mission to provide furniture and clothes for needy families. Please call them to pick up your furniture, clothes and appliances you are discarding. Christmas dinner was provided for over 300 needy families. Many WBA people helped with turkeys, pies, baking a turkey, and helping serve or deliver.
- H. Families in Crisis. We have assisted 56 families 90 times in these categories: food, emergency shelter, rent, utilities, prescriptions, gasoline, linens, blankets and clothing. Dozens more were helped by referral.
- I. Migrant Work. A Migrant Council was formed at Long Creek Church to help migrant workers. Gus and Peggy Lara conduct worship services at 3:00 PM on Sundays with good response.
- J. International Night. The third annual International dinner featuring foods from all over the world was enjoyed by about 140 Internationals plus 100 WBA church representatives. It was a night of fellowship and fun, meeting new friends and greeting old ones. A program followed.
- K. Christmas Gifts were given to Tabb Mansion, Cherry Hospital, Seaman's Center and Women's Prison in Raleigh.

- L. Summer Missions. A combination of one week of Backyard Bible Clubs followed by a week of Day Camp was done in four Inner City locations. Over 400 children were enrolled. 19 professions of faith were made. 9 rededications. All names were given to churches for follow-up.

III. PROGRAMS PLANNED THIS YEAR TO BE LAUNCHED 1985-1986

- A. Church-based Day Care. Affordable Day Care for single parent families is one of the greatest needs facing us in the next five years. Many churches have expressed interest in Day Care as a not for profit ministry of their church. Needs are especially great in Pender County.
- B. Blind/Vision Impaired. No church in our area ministers to this group.
- C. Deaf/Hearing Impaired. Sea Gate and Lake Forest have installed "induction loops" to help persons with hearing aids. Temple and Masonboro continue to have an interpreter for worship and Sunday School. We hope to really expand work with this group.
- D. Hospital Hospitality House. This is being done by the Medical Auxiliary. Our involvement will be needed, but minimal.
- E. Low Income Housing. Continues to be a great need. More Section 8 housing has opened up this year. Housing for people until first paycheck is still a big need as well as for persons on the eight month waiting list for Section 8. Housing for the elderly on incomes of \$300-\$600 a month. We are getting nowhere.

IV. PROGRAMS UNDER CSM BUT REPORTED SEPARATELY

- A. International Seaman's Service, Inc.
1. Continue to enlist Baptist people to work as volunteers.
 2. Money is always needed for Bibles.
 3. Many churches continue to provide cookies, bicycles and adult clothes for the clothes closet.
 4. A new chapel was dedicated in September.
- B. Literacy
1. Now Cape Fear Literacy Council, incorporated, tax-exempt, non-profit. This was done due to size of program. Became large enough to be completely done by volunteers.
 2. There were eight workshops training 90 tutors. We now have 107 tutors and 75 students.
 3. Ben Croom, VISTA Volunteer through RSVP and Southeastern Community College, serves as Recruiter/Coordinator.

ENGLISH TO SPEAKERS OF OTHER LANGUAGES (ESOL)

This year we ministered to 35 students from 23 countries in our Wednesday English classes. Although sponsored by WBA, Winter Park Baptist Church and people from many churches work together to make this ministry possible. We had 14 tutors. We can always use more volunteers for transportation, child care and refreshments. Tutors are trained in a 20-hour workshop. Four were trained this year. One or two workshops are held each year. The Sunday morning program at Winter Park during Sunday School continues to add depth and breadth to the program.

Help is given to Internationals in every area of daily life - translating recipes, shopping, customs, economic problems, birth, marriage, death, sickness, and the list goes on. Many Internationals get better jobs as their English improves. All in all, we have ministered to 150 Internationals.

Many missions efforts are resultings from these small beginnings. We have a good Korean Mission and two Hispanic Missions. Chinese and Japanese fellowships have been begun.

No International returns home without the name and address of the Southern Baptist missionary nearest their home.

God is sowing so much seed through the tender loving care and concern given by the churches and volunteers in the ESOL program.

Our Literacy program has grown beyond the management capacity of volunteers. Literacy work is now The Cape Fear Literacy Council, Inc. It has its own Board of Directors and has been granted non-profit tax exempt status. WBA still supports this work, houses and does missions through it. It is still directed by Sally Lennon and supervised by Marsha Cook.

Sally Lennon, Director

ACTS

The Greater Wilmington ACTS Board has made much progress this year. All insertion equipment has been purchased and installed at Vision Cable. Editing equipment has been purchased and has been installed at WBA. This next year will see much progress made in local programming and commercials as well for our own churches.

SUNDAY SCHOOL ASSIST

The Assist Team was not very busy this past year. The churches of WBA are encouraged to use this Team to aid in the training of Sunday School leadership.

Two General Board meetings had special training for our Sunday School leaders. A good number of people participated in each of these.

The Baptist State Convention has special training opportunities in our association on October 4th and 5th at Winter Park Baptist Church.

CHRISTIAN SOCIAL MINISTRIES COMMITTEE

The objective of the Christian Social Ministries Committee is to express Christian love and provide a Christian witness through mission ministries.

The Association assigned us several projects for 1984-85, which has given us direction for the year. These include:

1. We have publicized the availability of family counseling through the Baptist Children's Home.
2. Exciting progress has been made in working toward establishing a Hospital Hospitality House as we have worked with a local group of doctor's wives already engaged in such an endeavor.
3. We have been working all year in establishing a plan to help low income families in their search for low rent housing. Much work is still to be done in this area.
4. Day Care needs have been and are being considered as a viable ministry by churches in key areas where such needs are greatest.

Our second Family Ministries Conference was held February 25, 1985, at Murray Memorial Baptist Church. Three areas of concern composed the conference: Stress Factors in Families with Children; Drugs and Alcohol; and Changing Roles Brought About By Aging.

Along with our regular ministries, there are needs both old and new that give challenge to us as a CSM Committee. We covet your prayers in our endeavor to exalt our Lord in a tangible way.

Ralph E. Holt, Jr., Chairman

YOUTH COMMITTEE

The Youth Committee has sponsored several events this year including training during the Executive Committee Meetings, a Parent/Youth Workshop, and a Back to School Retreat. Along with these Associational events, we have promoted several state-wide events.

Attendance at the Parent/Youth Workshop was low but the program was excellent. Rick Traylor (then with Youth & Campus Ministries, NCBSC) did a superb job in presenting ideas on Parent/Youth Communication.

Don Brock and Mike Pittman, Charlotte, led our Back to School Retreat at North Carolina Baptist Assembly with some 31 youth and counselors in attendance, representing 20 churches. We have scheduled the Retreat again for 1986.

Two major events are scheduled for 1986. First, in March (Sunday, the 16th) a Youth Rally featuring "Jeremiah People", and second, August 22-23, the Back to School Retreat at North Carolina Baptist Assembly (Caswell).

Please make plans for your youth (grades 7-12) to attend these events.

WOMAN'S MISSIONARY UNION

The theme for WMU for 1984-1985 By Love Compelled brought many to the reality that Christ's love in us should compel us to minister to others. The Watchword, taken from 1 John 3:18, reminded us often that our love cannot just be words and talk but revealed in action.

We began our year with leadership workshops at Long Leaf and Shiloh Churches with an Olympic theme. There were around 180 women trained in August.

Our Baptist Women's organization emphasized the theme in a prayer retreat wotj Ruth Martin at Caswell and our Centennial Chairman also began to promote out 100th Birthday at that time.

BYW grew by three organizations and had one activity.

Our Youth age-levels did many activities to bring Missions alive to girls and pre-schoolers.

Some Acteens attended the National Acteen Convention in Fort Worth, Texas, attended super Saturday State Retreats at Campbell and Meredith Colleges, and in October had an overnight event called M-A-S-H (Magnificent Activity for Special Humans). This was a training session especially for all officers and Members of Acteens. In February they also has a Mission Action Workshop called "Close Encounters of the Best King," and the Acteen Council led in the Workshop.

Girls in Action held in October a "Missions Treasure Hunt" for all GA's at Hugh MacRae Park. "The Muppets Take Africa" was the theme of the GA Retreat at Caswell in April where about 180 girls and counselors attended. In July, they had a day camp at Pine Valley Church in which they focused on Japan. They had around 45 in attendance.

Mission Friends had activities for leadership and their very first day camp at Winter Park Baptist Church where Africa came alive through story telling, crafts, dancing, and food. Approximately Mission Friends and leaders attended.

Our WMU Annual Session was held in April, 1985, at the Sunset Park Baptist Church. Our theme was By Love Compelled as it related to Acts 1:8. David Ratliff represented Jerusalem as Chaplain of the Seaman's Center, Nancy Curtis, WMU NC Executive Director, Jordan, Nona Bickerstaff, WMU Executive Director of NY Convention represented Samaria, and Glenn Kling, Volunteer to Togo, the uttermost. We had 30 Churches represented.

As an Association we provided over 1500 packs of gun for the Women's Prison in Raleigh and were involved in many local mission action projects.

Many of our church WMU Directors had personal contact with one member of the Associational Council so they could receive help and have their needs met in a personal way.

Several of our churches have reorganized and strengthened their mission program this year for which we are grateful.

Our Associational WMU is distinguished again for the 18th consecutive year and seven churches reported being distinguished also.

We feel missions is alive and well in most of our churches.

Yvonne Lewis, Director

FORT CASWELL

In the summer of 1984, the committee went to visit Fort Caswell and while there agreed the Wilmington Baptist Association would be responsible for Riverside "A." Immediately afterwards, we began to plan on how to carry out the task. The first plan was to send out requests from each church for skilled personnel and what day they could go to work at Fort Caswell. We didn't receive any response from that so we decided to let each church plan a particular work day with emphasis being put on Saturday. We had good response with this plan. There was a group at Caswell practically every Saturday. Although we did not complete the job, there were several reasons why we didn't. One, is we underestimated the job due to lack of experience in this area, second, Fort Caswell had some personnel turnover and we had to wait a month for finances to purchase the material.

Wayne Honeycutt didn't come on the scene until January 12, 1985, as Chief Coordinator for the Assembly. I had the impression the Assembly would take care of the plumbing, air conditioning, and the electrician work. About the middle of January, I was told they were looking for us to supply these personnel so this slowed us down some. Overall, we had a very good year. We met a lot of new friends from our local association and all over the state. The fellowship was great.

We are making plans to go back and finish "A" and "B" this year. We already have four (4) churches affirmed on particular jobs, with four (4) more churches pending. This past year was a learning experience, and I sincerely hope we will take on another project soon.

Billy Watkins, Coordinator

WILMINGTON ASSOCIATION RESORT MINISTRY

All too often when one thinks about resort ministry, one thinks about beach and campground fun during June, July, and August. Resort Ministry goes much deeper than this misconception. This ministry is an informative year around, multidimensional, and hard working ministry. The blessings are too numerous to count. Resort Ministry is developing and expanding to more effectively reach our communities. Over the past year, a number of accomplishments have been made through your associational resort ministry.

1. There's a new awareness in churches for the necessity of resort ministry.
2. A resort pamphlet for our area was written.
3. A name for our ministry - W.A.R.M.
4. A W.A.R.M. Logo was designed.
5. W.A.R.M is building up resources that are available for churches who are interested in beginning or expanding their resort ministry.
6. Beach Pastors, Don & Shirley Horn, Jack Land, Jerry Beck, and myself, participated as clowns in Holiday events. For example: The Octoberfest and Christmas Parade.
7. W.A.R.M. will be working with the Fort Fisher State Park in presenting historical information to the guests who will be coming to visit the park during the summer months. This is to begin Summer 1986.
8. W.A.R.M. began classes for associational church members on developing the unique calling that God gives to each Christian. Also, includes a mission action activity.
9. Information on W.A.R.M. was written for Mission groups that would be working in our area during the summer months.
10. W.A.R.M. held a required Resort Ministry orientation for all Mission group leaders who would be participating in our summer ministry.
11. Two of our Beach Pastors, Don Horn and Jerry Beck and myself, went to the State Student Summer Missions Orientation and were able to teach the concepts behind campground and beach resort ministry.

12. From June through August, W.A.R.M. welcomed 14 Mission groups and Special Assignment groups. These groups conducted Backyard Bible Clubs, Vacation Bible Schools, Survey of Recreational Activities, Youth Programs, Beach Evangelism, Family Evening Programs, Church Construction, and distributed Tracts.
 13. W.A.R.M. was able to have weekly Family Evening Programs at Johnny Mercer's Pier on Wrightsville Beach. This included music, clowns, and puppets performed by our Summer Mission groups.
 14. We had one who came to know the Lord as Savior, and many others whose lives were touched by our Lord.
 15. Throughout W.A.R.M., three (3) of our churches, First Baptist of Surf City, First Baptist of Carolina Beach, and First Baptist of Kure Beach, were very involved in Family Evening Programs that included puppets and clowns at Jubilee Park, Kure Beach Pier, Scotch Bonnet Pier, Barnacle Bill's Pier, and three (3) campgrounds on Topsail Island. Two (2) of these churches also conducted Worship Services at Jubilee Park, and the campgrounds on Pleasure and Topsail Island.
 16. Calvary Baptist Church began new ministry in Safari Campground. They conducted Worship Services and Family Programs with puppets and clowns.
 17. W.A.R.M. received five (5) Summer Workers who participated in all areas of ministry. Our workers (1) served as campground chaplains who led Worship Services and Family Recreational Activities, (2) developed and participated in church sponsored family programs that were performed in resort settings, (3) provided tutoring services for church members, (4) worked in the music and youth programs of the church, (5) established relationships with people and were able to witness and share the Gospel of Christ with people on the beaches and piers.
 18. W.A.R.M. has literally touched the lives of thousands of people during this past year. The potential of this ministry has always been here... it will always be here! My gratitude goes out to the pastors, churches, mission groups and volunteers who have made W.A.R.M. possible. In each of their efforts, they touched people who would not otherwise have been reached.
- Resort Ministry is another tool in which we can proclaim the Good News of Jesus Christ and allow our Heavenly Father to work among His children. The ministry reaches out to the people who make up our neighborhoods, beaches, and 'market places' of our resort setting as it compliments the work of the church. Ask not only what can resort ministry do for our church, but also, what can our church do for resort ministry!

Debbie Lytle, US2, Minister of

SEAMAN'S SERVICE CENTER

The Seaman's Center in Wilmington has been opening its doors and heart to the men and women from around the world for over a decade.

The Center is supported by many churches, as well as individuals in the community. These people with over 140 volunteers from many denominations giving their time and Christian Love seven (7) days a week, 365 days a year.

Today's Seaman leads a life as "Containerized" as the cargoes he handles. Ships may unload and reload in a matter of hours.

It is to these Merchant Seamen with few precious hours to spend in Wilmington that the Center provides a ministry as unique and as varied as the seamen who pass through its doors. The Center offers a quiet time of leisure. A home away from home. Shelves of books are available free for our visitors. Overseas telephone service is also provided. Stamps and cards are available. Bicycles are handy for the men to get away to visit our city. Several hundred Bibles are distributed each year to Seamen. They are available in 40 different languages. Recreation is available in a game room with TV room, outside basket ball and volley ball. We offer cookies, coffee, tea, popcorn as refreshments.

Over a year ago plans were made to obtain a Chapel for the Center. This dream has become a reality. On September 15, 1985, the Chapel was dedicated to the Glory of God in His service.

Exciting has been a dream of extending our outreach program to seamen from the docks outside the State Port area. To accomplish this, a van was purchased to transport the seamen to the Center.

In April of 1985, Chaplain David Ratliff resigned to go to western part of North Carolina to pastor a church. Thanks to David for his service to us.

On May 24, 1985, Chaplain Vernon Fash came to minister to us and the seamen at the Center. A retired Lieutenant Colonel of the Air Force, he is a graduate of the University of Columbia, South Carolina, also, from the South Western Seminary of Fort Worth, Texas. He has served in many capacities including pastoring churches. It is our pleasure to have Chaplain Vernon Fash serving us here. Also, his lovely wife, Byrdie. They are the parents of two sons. Great things are continuing to come to pass under his leadership.

All of this is only possible because of your past support and with your continued interest and support in both time and talents. Thank You! Please continue your support through your prayers for this ministry of important outreach.

EVANGELISM

It has been said that 92-95% of all believers never give personal and public testimony of Jesus Christ. It is our desire, as your Associational Evangelism Committee, to change these statistics in our city. Over 100,000 lost people live in and around our association. On top of this, we as Baptists are leading fewer people to faith in Christ as the years pass by. What can we do to make a difference?

1. Participate in the "Good News America God Love You" revivals on March 9-16, 1986.
2. Support Dr. Frank Crumpler as he comes to lead us in our Associational Evangelism Conference October 28-29, 1985.
3. Regional Evangelism Conference October 24, 1985.
4. Plan to attend our State Evangelism Conference in Greensboro February 3-4, 1986.

It was a real joy to watch God work in the midst of our Freddie Gage Go Tell Crusade. We had 754 First Time Commitments, 499 Recommitments making a total of 1,253. Only heaven will reveal all that was accomplished that week. We hope to have another crusade in 1987. We hope that baptisms will be up in 1986 as a result of the challenge your Evangelism Committee brings to you.

Allen Laymon's recommendation from the Furloughing Mission Committee:

On the last Sunday in May the churches of the Wilmington Baptist Association were asked to receive an offering for the building of a Furloughing Missionary Residence. From the churches who did this, we received over \$7,000. Total funds now available for the construction of this residence amounts to over \$47,000. (Spradlin Property fund, \$21,000; Churches' offering, \$7,635; lot, \$10,000; time and equipment for clearance of lot, \$1,400). This total amount of \$47,000 put us over half way toward our goal of \$85,000.

Your Fund Raising and Building Committees realize that we cannot begin the construction of this residence until all monies are in hand. So we wait in faith and prayer for this day.

We would like to recommend the following:

1. that we continue to ask our churches and individuals to contribute toward this project of missionary education, and
2. that if the residence is not completed by February 1986, we rent a residence for missionaries Mr. & Mrs. Rogers, who would like to live with us through December of 1986, from funds already given toward this project.

8. Dr. Roy J. Smith, Executive Secretary of the Baptist State Convention, challenged the messengers. His scripture was I Corinthians 3:8.

The Association is the most influential and important unit in Baptists life, following the local church level. The Association is where we learn what Baptists are about and a place where Baptists fellowship. It is where we learn about missions and cooperation.

Cooperation is the focus of this message. The unique thing about Southern Baptists is our unified mission program that starts at the door of our churches and reaches to the ends of the earth and our unified method of supporting that program through our Cooperative Program.

We share some distinctives with all Baptists. One is the Bible is the inspired Word of God. Baptists throughout history have never accepted a creed and were even hesitant to adopt a covenant. Baptists believe that the Bible is our source of authority and God's Word to us.

Second, all Baptists believe we become Christian by having a personal encounter with Jesus Christ.

Third, all Baptists believe in the Priesthood of the Believer and autonomy of the church. There are no spiritual levels in the church. Every believer is equal in the sight of God.

Fourth, all Baptists believe in the absolute separation of church and state.

But, we, as Southern Baptists, North Carolina Baptists, and Wilmington Baptists have developed three other distinctives that set us apart from other Baptist groups.

We believe in Overt Evangelism, that all Christians have the responsibility to share the good news to the ends of the earth.

We have also developed a Mission Consciousness that says we are not only to evangelize our neighbor but the people around the world.

Our third distinctive is Voluntary Cooperation. Voluntary cooperation holds Southern Baptists together. God has blessed us with the resources, our people, and people are responsive to the message of the gospel.

Read the Commission Magazine to discover what is happening in Korea, Tanzania, and Red China. We Baptists have voted to support Bold Mission Thrust. We plan to proclaim the gospel to every person in the world by the year 2000. What an opportunity and challenge.

- 22. Wrightsboro Baptist Church Choir presented the special music, "All Hail King Jesus".

23. Harvey Whaley, Jr., pastor of Wrightsboro Baptist Church, preached the Annual Sermon.

It takes listening, as well as great preaching, to make a sermon. The scripture passage came from Matthew 17:1-6, and Hebrews 1:1-2, 2:1-4 and deals with keeping faith in the Great Commission. In reference to Roy Smith's message, a distinctive of Baptists is we are people of the Book. However, we Baptists have also failed to hear and harken to the Son of God. God will not continue to allow us to ignore and not respond to the Word of God. On two occasions in the scripture read tonight God says, "This is my beloved Son, harken to Him." God has revealed His purpose to us. He revealed Himself to us through His Word and through His prophets. But God not only speaks in the past but also in the present. If God is speaking, I believe he wants someone to listen.

We should listen to the Son of God because of who He is. Hebrews says the Son is superior to the prophets and gives a description of why Jesus is superior. 1. He is the goal, 2. the creator of the universe, 3. the exact image of God, 4. the sustainer and upholder of the universe, 5. He is the redeemer, 6. He is the King, 7. He has been exalted above the angels of God.

The Son has a purpose and it is revealed in Ephesians. It is God's will for us to be His sons; Ephesians 1:10, Ephesians 3:6, Ephesians 3:9. The church is to reveal God to all of mankind so they may hear the gospel and experience redemption. Do we as Southern Baptists realize the importance of listening and harkening to the voice of God. Our problem is like the book of Hebrews, God has spoken, but still we are not heeding the voice of God. We preach the Great Commission, but we are still not doing it. We will never accomplish God's purpose until we start listening.

What will happen if we do not listen to the Word of God? If we fail to heed and obey God's word, God's purpose will pass us by and we will have to face the judgment of God.

If we want to be a blessed people, we must listen to the Word of God. Let's renew our sense of direction, faith, and commitment and then repent. There is hope. We can be forgiven by the power of the blood of Jesus. We can be the people of God.

23. The congregation sang, "Footsteps of Jesus" and several came forward.

24. Director of Missions Report--Bobby Stafford
